

Avalon Performing Arts Council – APAC

38th Year

Dear Friend of the Arts,

APAC continues to enrich the lives of visitors and Avalon citizens by promoting cultural and artistic events for all ages. Information about APAC and its 2020 programs are also described in our brochure distributed at various locations in town: Community and Borough Hall, Library, Businesses, etc.

Please...support our mission by contributing and/or becoming an APAC member. Without your help, bringing quality programs to our community would not be possible. Your generosity will make a difference.
